To WHOM IT MAY CONCERN

Dear Sir/Ma'am,

On behalf of Hosmac India Pvt.Ltd., I am glad to be associated with the virtual launch of the Global Sustainable Summit (GSS) 2026 – Maharashtra Edition, organised by the Industry Partner D-Link (India) Ltd.

I extend my heartfelt congratulations and best wishes to IISD and the entire organising team for this prestigious initiative. I wish the Global Sustainable Summit 2026, scheduled to be held at Vigyan Bhavan, New Delhi, and proposed to be inaugurated by the Honourable Vice President of India, tremendous success.

IISD's efforts in bringing together leaders from industry, academia, government, and civil society truly reinforce our collective commitment towards sustainability, climate action, and nation-building. The Summit's theme, #NowForClimate, serves as a timely reminder that the responsibility to create a sustainable future rests with all of us, and that meaningful action cannot be delayed.

As a leading organisation in healthcare consulting, planning and designing, Hosmac is proud to support this noble initiative and contribute towards advancing the United Nations Sustainable Development Goals (SDGs). We believe that innovation, responsible development, and collaborative partnerships are essential to building resilient communities and a healthier planet for future generations.

I commend your dedication and leadership in driving this important movement and wish the Global Sustainable Summit 2026 every success in inspiring impactful dialogue and transformative action.

With best wishes,

HOSMAC INDIA PVT. LTD. MUMBAI 63.
