Dear Sir/Ma'am,

On behalf of Govardhan Eco Village, I am deeply honoured to be associated with the Virtual Launch of the Global Sustainable Summit (GSS) 2026 – Maharashtra Edition, organised with the support of D-Link (India) Ltd. as an Industry Partner.

I extend my heartfelt congratulations and best wishes to the Indian Institute of Sustainable Development (IISD) and the entire organising team for this significant initiative. I wish the Global Sustainable Summit 2026, scheduled to be held at Vigyan Bhavan, New Delhi, and proposed to be inaugurated by the Honourable Vice President of India, every success.

Your efforts in bringing together visionary leaders from industry, academia, government, and civil society truly reinforce our shared commitment towards sustainability, climate action, and nation-building. The Summit's theme, #NowForClimate, serves as a timely reminder that the choices we make today will shape the world we leave behind for future generations.

At Govardhan Eco Village, we believe that true sustainability emerges from a harmonious integration of spiritual wisdom, environmental stewardship, and compassionate living. Inspired by the timeless principles of coexistence and responsible consumption, we are committed to promoting models of development that nurture both people and the planet.

As a globally recognised eco-community dedicated to sustainable living, holistic education, rural development, and ecological conservation, Govardhan Eco Village is proud to support this noble initiative and contribute towards advancing the United Nations Sustainable Development Goals (SDGs). We believe that collective action, guided by values and purpose, can create resilient communities and a more sustainable and equitable future.

I commend your dedication and leadership in spearheading this important movement and wish the Global Sustainable Summit 2026 every success in inspiring meaningful dialogue, fostering collaborative partnerships, and catalysing transformative action towards a greener, healthier, and more compassionate world.

May this Summit serve as a beacon of hope and a platform for positive change, empowering all stakeholders to act decisively for the well-being of humanity and Mother Earth.

With best wishes and prayers for the success of this noble endeavour,

Navaljit Kapoor
